

Special Offer to JSTE Readers

The ERIC Clearinghouse for Science, Mathematics, and Environmental Education (ERIC/CSMEE) is pleased to offer the following sets of publications at reduced prices while current supplies last. The sets will be of particular interest to individuals or groups seeking to acquire background and reference materials in science education. Please order by sets, and add 10% for shipping and handling on prepaid orders.

To order or request additional information, call (614) 292-6717, or write to: Publications, ERIC/CSMEE, 1929 Kenny Road, Columbus, OH 43210-1080.

AETS Yearbook Set I: Price for the following 10-volume set = \$50.00

A review of research on teacher behavior (Vol. 1, 1974)
Science teacher education 1974: Issues and positions (Vol. 2, 1975)
Reflections on science education (Vol. 3, 1976)
Science teacher education: Vantage point 1976 (Vol. 4, 1977)
Science education: Past or prologue (Vol. 5, 1978)
Science education/society: A guide to interaction and influence (Vol. 6, 1979)
Psychology of teaching for thinking and creativity (Vol. 7, 1980)
Improving practices in middle school science (Vol. 8, 1981)
An analysis of the secondary school science curriculum and directions for action in the 1980's (Vol. 9, 1982)
Teaching children science: Changing adversity into advocacy (Vol. 10, 1983)

AETS Yearbook Set II: Price for the following 5-volume set = \$35.00

Observing science classrooms: Observing science perspectives from research and practice (Vol. 11, 1984)
Science, technology and society: Resources for science educators (Vol. 12, 1985)
A guide to inservice science teacher education: Research into practice (Vol. 13, 1986)
Improving preservice/inservice science teacher education: Future perspectives (Vol. 14, 1987)
Information technology and science education (Vol. 15, 1988)

Investigations in Science Education Set I: Price for the following 10-volume set = \$25.00

Set includes volumes 1-10 (1974/75-1984), 4 issues per volume (40 issues total)

Investigations in Science Education Set II: Price for the following 4-volume set = \$20.00

Set includes volumes 11-14 (1985-88), 4 issues per volume (16 issues total)

Investigations in Science Education Collection: Price for the entire 14-volume set = \$40.00

Collection includes volumes 1-14 (1974-88), 4 issues per volume (56 issues total)

NARST Abstracts Set I: Price for the following 11-volume set = \$30.00

Set includes abstracts of papers presented at the annual meeting of the National Association for Research in Science Teaching, 1975-1985.

Bonus: While supplies last, the following will be provided at no cost if requested:

Especially for teachers: Selected documents on the teaching of science 1966-1981
